

MUSIC THERAPY SUGGESTED SEQUENCE

August 1, 2011

***Students with no prior piano experience should take the keyboard skills sequence (PIAN 144-288). Demonstration of skills is needed to pass/test out of PIAN (144-288). Students whose major performance medium is piano or organ should take PIAN 310 after completing two semesters of music theory (* this course is only taken once in the fall term of the sophomore year).**

- All MEMT professional courses as noted on the undergraduate music therapy curriculum sheet must be completed with a "C" or better prior to beginning internship.
- Students should pass all clinical quiz outs.
- Students must request a graduation check from the School of Music Student Services Office approximately 1 year prior to their expected internship date. Graduation checks before that time should occur with the student's MEMT advisor.
- Upon acceptance to an internship, students must complete and turn in the "pink" Music Therapy Internship form to the MEMT office.

Students must do the following in their final semester prior to leaving for internship:

- check their curriculum sheet to see that they have met all of the graduation requirements for the MEMT office.
- submit their application for graduation online through Enroll and Pay.
- successfully complete their major applied instrument (422 Sr. Project Lesson).
- turn in their Blue Repertoire card to the MEMT office before the end of the final semester in residence.
