Approximately 1 year prior to their expected internship date students must request a graduation check from the School of Music Student Services Office. Graduation checks before that time should occur with the student's MEMT advisor.

Students must complete and submit the Music Therapy Internship Data form to the MEMT office upon acceptance to an internship.

All MEMT professional courses as noted on the undergraduate music therapy degree requirement check sheet must be completed with a "C" or better prior to beginning internship.

Prior to leaving for internship students must:

- Review their degree requirement check sheet to see that they have met all of the graduation requirements for the MEMT office.
- Submit their application for graduation online through Enroll and Pay.
- Successfully complete their major applied instrument (422 Sr. Project Lesson) including the senior ½ recital.
