Welcome to the Marching Jayhawks and the KU Bands!

We’re looking forward to a great season as we welcome our new and returning members. The Marching Jayhawks are a diverse group of students, representing over 80 majors on campus. There is a place for you!

This packet contains everything you need to know for band camp and our season this fall. If you have any questions, please do not hesitate to contact the band office this summer at 785-864-3367, or Dr. Smith directly at maosmith@ku.edu. We have included early move-in information for band members, detailed band camp and season schedules, and information on the other bands within the KU Band program. It's going to be an exciting season as we welcome a new football coach and unveil our new uniforms!

Enjoy the rest of your summer, and we look forward to seeing you in August – ROCK CHALK!

3 EASY STEPS TO JOIN THE MARCHING JAYHAWKS!

1. If you are a freshman or sophomore, register for BAND 210. If you are a junior or senior, register for BAND 410. The official meeting time for band is MWF from 3:45-5:45. If you have a class conflict, we cover that later in this packet.

2. Go to www.marchingjayhawks.com and fill out the online 2016 BAND CAMP REGISTRATION FORM on the “How to Join” page. Please do this by FRIDAY, JULY 22, as we need to submit some of this information to the university.

3. Complete the 2016 BAND EXPENSE FORM (not to be confused with our merchandise form); please mail it with your check to the Band Office by MONDAY, AUGUST 1. The form is attached to this SUMMER INFORMATION PACKET.
**SCHEDULES AND MOVE-IN INFORMATION**
You will receive updated band camp and season schedules at band camp, but the attached schedules are fairly accurate. Please read the band camp schedule very carefully!

**EXPENSES AND EARLY MOVE-IN**
There is a $230 Band Activity Fee, payable by check only. This fee helps to offset many costs, including dry cleaning at the end of the season, lots of Adidas apparel, instrument and equipment maintenance, and other expenses. Note: the $230 will be reduced for returning members in the 2017 season.

If you need a flip folder, please indicate that on the 2016 BAND EXPENSE FORM (attached). New members will need to purchase shoes as well. All other expenses, including travel, are covered.

Members of the Marching Jayhawks who are living in KU student housing can move into their assigned scholarship halls, residence halls, and Jayhawker Towers beginning at 8:00 a.m. on the following dates ONLY.

- Drum majors, student staff, and drumline members will move in on Tuesday, August 9.
- Rank leaders and colorguard members will move-in on Saturday, August 13.
- All other new and returning members will move-in on Sunday, August 14.

The band will not collect early move-in fees; these fees will appear directly on your university account. In cooperation with KU Student Housing, the band will contribute a portion of these expenses (approximately half of the cost); these will be reimbursed later in the fall semester.

We have worked with KU Housing to make these special arrangements for early-move-in for Marching Jayhawk members. PLEASE DO NOT ASK TO MOVE IN ON A DAY OTHER THAN YOUR ASSIGNED DAY.

All Marching Jayhawk members who live in Naismith Hall (private residence) will be able to move in beginning at 10:00 a.m. on Sunday, August 14. There will be no early move-in charges assigned to band members, but you must contact the Naismith Hall office (785-843-8559) to coordinate your move-in date.

---

**WE MUST HAVE THIS INFORMATION AS INDICATED ON THE ONLINE BAND CAMP REGISTRATION FORM NO LATER THAN FRIDAY, JULY 22 OR YOU WILL NOT BE ON THE LIST FOR EARLY MOVE-IN!**
COURSE REGISTRATION and CLASS CONFLICTS

All marching band members are REQUIRED to register for BAND 210 or 410 for the fall semester. Please register prior to your arrival on campus if you have not done so already.

If you have a special circumstance that does not permit you to register for the marching band, please contact Dr. Smith. **We do allow minor class conflicts for unavoidable, required class conflicts only (if your conflicted class is an elective, or offered in another semester, this does not qualify). Work, clubs, fraternity/sorority conflicts, etc. are not permitted for band conflicts.**

Course conflicts must be addressed in three ways:

- Notify Dr. Smith with the nature of the conflict (class, days, and times) and get approval.
- Complete a university **Schedule Change Form** (http://www.registrar.ku.edu/sites/registrar.ku.edu/files/servicedocs/schedule-change-form.pdf). At the bottom of this sheet there is a section for class conflicts. The form will need to be signed by Dr. Smith and by the professor of the conflicting class in August. After this is submitted to the university, you will be able to register for both classes. Until then, please register for the non-band class, and then add marching band during the first week of classes after submitting this form.
- During band camp, there will be a separate online “Band Class Conflict Form” that we’ll need you to fill out for our own records; we’ll explain it at one of our meetings during band camp.

FALL SORORITY RECRUITMENT

Formal sorority recruitment takes place at the same time as band camp in August. If you are interested in participating in both marching band and fall sorority recruitment, there is a place where that can be indicated on our online registration form. The band office works in conjunction with the Student Involvement and Leadership Center (SILC) that oversee sorority recruitment to create an approved schedule that accommodates both band camp and recruitment. Those students will receive an approved schedule from Dr. Smith via email approximately one week prior to band camp that details exactly when students will participate in band and sorority activities on a daily basis. Please note: due to the specialized training necessary for colorguard and drumline, students in those sections are not able to attend fall sorority recruitment.

INFORMATION FOR FIRST-YEAR STUDENTS

There will be a meeting for all first-year band members on Monday morning (listed on the band camp schedule). A representative from KU’s Office of First Year Experience will be there to share information regarding Hawk Week and essential information for band members. New first-year members who did not attend a summer orientation session may need to attend a one-day orientation session during band camp. These students should contact Dr. Smith and inform him of the absence.
**MUSIC AND CORDS**

We will have the woodwind and brass music for pregame and warm-ups available on our website in June. Please take the time to download and begin to learn them. Most of our pregame music may be heard on www.kuband.org (click on the KU Fight Songs link on the left hand menu) so you can follow along with the pregame music while you listen to the recordings, even if you don’t have an instrument in your hands. To access the music, please visit the “Members Only” page of www.marchingjayhawks.com and enter the following password:

**Marching2016**

It is important to have the warmups and pregame music memorized as quickly as possible. We have a tradition of handing out uniform cords (baldrics) to new members once they have “checked off” their memorization. In addition, your pregame music must be checked off in order to audition for the basketball bands, and to receive your free passes for men’s basketball games (see the season calendar for deadlines). For those of you who may have difficulty memorizing music, please do not worry. We have found that memorization takes care of itself as you become more familiar with playing the music in a group setting over a number of repetitions.

**WOODWIND & BRASS PLAYERS**

The Marching Jayhawks provide all instruments and equipment. If you are a brass player, you have the option to use your own instrument, as long as it is silver. Woodwinds may use their own instrument if they prefer as well (though saxophones must be silver to match our instruments). There is no additional fee for renting a school instrument. If you prefer to use your own mouthpiece, that is fine.

Note checkout times during band camp registration. You are welcome to use your own instrument for the auditions if you prefer. We hold auditions for select instruments, but this is only for part assignments. Woodwind and brass players have no audition for membership into the Marching Jayhawks!

Instrument storage lockers will be available for rental in Murphy Hall during band camp registration. There is no cost, however many marching band members do not rent one as we are not in Murphy Hall much outside of band camp, and most students store their instruments in their rooms or lockers in the School of Music. Drumline and sousaphone members have other storage available. If you are a music major, then you will want to check out a locker.

**Bring any necessary lyres, flip folders, mouthpieces, valve oil, reeds, slide grease, etc. to keep your instrument conditioned throughout the season!!!** Flip folders are available through the band, as noted on the 2016 BAND EXPENSE FORM.

There are not a lot of options for picking up any needed musical accessories in Lawrence. You are welcome to get them wherever you can, though you do have the option of ordering them online through Meyer Music (www.shopmeyermusic.com) and they will be delivered to the band office here at KU. Just visit the website, click on “band instruments” and scroll down to the KU link. Please try to order by the first week of August so that they will be here in time for band camp.
**COLORGUARD**
We will hold two audition dates for prospective colorguard members this summer. Auditions will be held at Murphy Hall on the KU campus.

- Saturday, June 11 from 9:00 a.m. – 1:00 p.m.
- Saturday, July 30 from 9:00 a.m. – 1:00 p.m.

We also understand that distance and other factors may prevent interested students from attending, and that not everyone will be able to attend every camp date. Students who are unable to attend an audition should contact Mrs. Melissa Smith, our colorguard instructor, to discuss sending a short video of their skills. Colorguard members, please note that you will move in on Saturday, August 16. If you have further questions, or to RSVP for the audition, please email Mrs. Smith at mmbbsmith@gmail.com.

**DRUMLINE**
We have two camp dates left for current and prospective drumline members this summer. These camps provide an excellent opportunity for potential students to meet current members, sharpen their skills, and become acquainted with the techniques used at KU. Camps will be held at Murphy Hall on the KU campus (we will, of course, break for meals on these days). Participation at these camps is strongly encouraged.

- Friday, June 3: 9:00 a.m. – 9:00 p.m.
- Saturday, June 4: 8:00 a.m. – 9:00 p.m.
- Friday, June 24: 9:00 a.m. – 9:00 p.m.
- Saturday, June 25: 8:00 a.m. – 9:00 p.m.
- Friday, July 22: 9:00 a.m. – 9:00 p.m.
- Saturday, July 23: 8:00 a.m. – 9:00 p.m.

We understand that distance and other factors may prevent interested students from attending, and that not everyone will be able to attend every camp date. Due to the unique nature and skills with the drumline, acceptance in the line will be determined based on performance during the spring and summer camps. If you know that you are going to attend, please contact our head instructor, Brandon Graves, so that you can better prepare for the camps.

If you have any interest in the drumline, please email Brandon at bgbeats@gmail.com. Please note that the Marching Jayhawks do not use pit percussion; we march snares, tenor drums, bass drums, and cymbals. Drumline members, you will be moving in earlier than the other new members of the band as well (August 9).

**DCI MEMBERS**
We have a number of students in the band who march with Drum Corps International during the summer. We are aware that DCI Finals will be held on Saturday, August 13. Those students should make every effort to be on campus for band camp as soon as possible after finals. Please email Dr. Smith (maosmith@ku.edu) if you will arrive late to band camp due to DCI, and also please let him know if you will attend the KU new student orientation on Tuesday, August 16 or Wednesday, August 17.
**PEP BANDS**

Our pep bands are comprised of membership from the marching band. We have an enthusiastic volunteer Volleyball Band that is active during the fall semester for the home games for the KU Women’s Volleyball team.

Audition dates and signups for the Men’s and Women’s Basketball Band auditions will be announced in September. Ms. Toulouse conducts the Men’s Basketball Band, and our graduate teaching assistants (GTAs) will conduct the Women's Basketball and Volleyball Bands.

**CONCERT AND JAZZ BANDS**

In addition to the marching and pep bands, KU has outstanding concert bands and jazz ensembles. Many of our students choose to participate in other bands during the school year in addition to the Marching Jayhawks.

- **Wind Ensemble (BAND 202/602)** – Dr. Paul Popiel, Director of Bands, conductor  
  Fall Semester Rehearsals: MWF 1:00-2:50; Spring Semester: MWF 2:00-3:50

- **Symphonic Band (BAND 204/404)** – Dr. Matthew Smith, conductor  
  Fall Semester Rehearsals: TTh 3:30-5:20; Spring Semester: MWF 2:00-3:50

- **University Band (Music 206/406)** – Ms. Sharon Toulouse, conductor  
  Fall Semester Rehearsals: Th 6:00-7:20; Spring Semester: TTh 4:00-5:20

Detailed information on joining the Wind Ensemble, Symphonic Band, and University Band is available on [www.kuband.org](http://www.kuband.org). All ensembles are courses within the School of Music, and registration is required for members of these ensembles. The Wind Ensemble and Symphonic Band are auditioned groups. Auditions will be held during the first few days of the semester, and sign-up sheets for audition times will be posted on the band bulletin board later this summer. Audition music will be available on [www.kuband.org](http://www.kuband.org) around July 1. There is no audition required for the University Band, simply register and attend the first rehearsal.

Information on joining the jazz ensembles and jazz combos can be found on [http://music.ku.edu/jazz/](http://music.ku.edu/jazz/) or by contacting Professor Dan Gailey, Director of Jazz Studies, at dgailey@ku.edu. Audition information should be posted by August 1 on the website

**THANKSGIVING**

Our annual in-state football game versus K-State takes place on the Saturday after Thanksgiving, and it is a full band performance. This will be a full band trip to Manhattan, Kansas. We will not know the kickoff time until mid-November. It is possible that we will need band members to back on campus Friday afternoon for rehearsal. The residence halls will be open that weekend.
**KAPPA KAPPA PSI and TAU BETA SIGMA**

These are our two band service organizations and we have fantastic chapters here at KU. The students in these organizations contribute countless hours through a variety of projects throughout the year, and have a great time while doing them. We don’t know what we would do without these organizations! They are a great group of people to become involved with, both from a service and a social perspective.

**FREE ENTRY FOR KU MEN’S BASKETBALL**

As another gesture of appreciation, all members of the Marching Jayhawks who are in good standing (and have checked off their pregame music by the announced date) will be placed on a pass list for free admission to home KU Men’s Basketball games in Allen Fieldhouse for the upcoming season!

**FOOTBALL TICKETS**

We’re fortunate to have an athletic department at KU that is very supportive of our marching band students and their commitment to KU athletics. Special pricing for football tickets is available for season tickets and the Band Day football game on September 10; please refer to the advertisement further in this packet.

**APPAREL...aka GEAR!**

Membership in the Marching Jayhawks is not without its privileges! Band members will receive an Adidas KU hoodie, polo, TWO band t-shirts, a stadium hat for the stands (required for football games), a warmup suit, athletic shorts, and a winter cap for cold games.

In addition, we have some new products this year, available on the attached order form (this is a separate form from the 2016 BAND EXPENSE FORM), and is offered from Fear Nothing Music Gear (payment is made directly to them). Fear Nothing has shorts, sweats, and Band Mom/Dad shirts!

**ADDITIONAL NEEDS**

Since we perform at a variety of events during the fall, we do not always use the assigned marching band uniform. We often use our Adidas apparel to play at pep rallies and other non-football events. To accompany your gear, please be sure to have the following:

- White ankle socks (the kind that someone can see from a distance with your shoes on, but not all the way up your calf)
- Tall white socks to be worn with our new uniform
- A nice pair of blue jeans
- Basketball Band members will need to have a pair of black pants or slacks (no leggings/black jeans/yoga pants, etc.).

Some reminders for Band Camp…

- Come prepared – hats, water bottle, sunglasses, sunscreen, insect repellent are recommended.
- You MUST have the proper footwear (if you wouldn’t jog in them, then don’t wear them!)
- Make sure that you have all of the accessories that you need for your instrument (reeds, flip folders, lyres, valve/slide oil, etc.).
- Dress for the weather (t-shirts and shorts) – jeans are not a good idea for band camp!

MOVE-IN INFORMATION FOR UNIVERSITY HOUSING

Members of the Marching Jayhawks who are living in KU student housing can move into their assigned scholarship halls, residence halls, and Jayhawker Towers beginning at 8:00 a.m. on the following dates ONLY.

- Drum majors, student staff, and drumline members will move in on Tuesday, August 9.
- Rank leaders and colorguard members will move in on Saturday, August 13.
- All other new and returning members will move in on Sunday, August 14.

The band will not collect early move-in fees; these fees will appear directly on your university account. In cooperation with KU Student Housing, the band will contribute a portion of these expenses (approximately half of the cost); these will be reimbursed later in the fall semester.

We have worked with KU Housing to make these special arrangements for early-move in for Marching Jayhawk members. **PLEASE DO NOT ASK TO MOVE IN ON A DAY OTHER THAN YOUR ASSIGNED DAY.**

All Marching Jayhawk members who live in Naismith Hall (private residence) will be able to move in beginning at 10:00 a.m. on Sunday, August 14. There will be no early move-in charges assigned to band members, but you must contact the Naismith Hall office (785-843-8559) to coordinate your move-in date.

WE MUST HAVE THIS INFORMATION AS INDICATED ON THE ONLINE BAND CAMP REGISTRATION FORM NO LATER THAN FRIDAY, JULY 22
OR YOU WILL NOT BE ON THE LIST FOR EARLY MOVE-IN!
BAND CAMP PARKING INFORMATION

KU is very restrictive on parking, but you have plenty of options during band camp.

- Our practice field is on the west side of campus, near the Lied Center. Almost all band members drive or carpool to rehearsals. There is parking at the practice field (grass lot).

- When we rehearse in Murphy Hall during band camp, you may park in the yellow (not gold) lots. The closest ones to Murphy Hall are Lot 72 (East Burge Union) and Lot 90 (S. Robinson Center). This only applies during band camp through Sunday, August 21.

- On Thursday, August 18 the rest of campus will come to move in, which creates a lot of traffic. All residence hall lots must be cleared that day due to the move-in. Since band members will already be in the residence halls well before then, your car must be moved from the residence hall lots to another lot; we recommend the Lied Center or the band practice field; we’ll be there anyway!

- Be sure to follow the normal parking rules and parking pass procedures if you plan on having a car on campus.

MEAL INFORMATION FOR BAND CAMP

KU Dining service begins on Sunday, August 14 for those students with a meal plan. The band will provide a dining card to those students who move into residence halls, scholarship halls, and Jayhawker Towers on August 9 (drumline, student staff, and drum majors) which will cover breakfast and dinner beginning with dinner on Tuesday, August 9.

Students can eat at one of three residential dining halls: Ekdahl Dining Commons (aka Mrs. E’s) on Daisy Hill, North College Café at GSP Hall, or Oliver Hall Dining Center. Breakfast hours are from 7:00-9:00 a.m., and dinner is from 5:00-6:30 p.m. (please note the specific hours allotted for meals on the band camp schedule).

Students should bring money to cover other meals. The band students generally travel together for lunch off-campus. We’ll provide a map of local restaurants at registration. The dining halls will also be available for lunch should you choose to eat there on your own.
