RESEARCH PROPOSAL APPROVAL FORM

Students: Please email your research proposal to each of your committee members or arrange a time to present your proposal to your committee members in person. Faculty signatures indicate committee members have reviewed your proposal and approve of its content. If you anticipate taking the Oral Comprehensive Exam, writing, and completing the Doctoral Final Exam/Defense in **multiple semesters**, you must return this form at least twelve weeks before the date of your Doctoral Document/Dissertation defense to the Graduate Coordinator in Room 450. If you anticipate taking the Oral Comprehensive Exam, writing, and completing your Doctoral Final Exam/Defense in the **same** semester, you are required to turn in this form with your Exam Authorization Form at the time of your Oral Comprehensive Exam. No Doctoral Final Exam/Defenses will be scheduled until completion of this form has been verified.
