## THE GHOST TRIO

Formed in 2025 at the University of Kansas, pianist Zijin (Jin) Wang (DMA), violinist Chang He (DMA), and cellist Rui-An Tseng (MM) form a Lawrence-based trio. Studying with violist Boris Vayner of the St. Petersburg Quartet and acclaimed violinist Sun-Young Shin, they cultivate a focused, expressive chamber music sound.

## PHOG HORNS

The Phog Horns are a group of music majors here at KU coached by Dr. Aaron Romm. Our performers include trumpet players Annabelle Palm and Christian Adams, Noah Moots on French horn, Peter Heddings on trombone, and Zane Lauer on Tuba. We came together as an ensemble in the fall of 2025 and since then we have had two goals, first to make amazing music, second to have fun, Rock Chalk!

## W<sup>2</sup>

W<sup>2</sup> Duo brings together pianist Wenqing Wang and percussionist Alan Wong. The duo primarily works with contemporary and intercultural repertoire, focusing on listening, interaction, and shared musical space. Rather than treating the piano and percussion as separate roles, they explore how the two can merge, contrast, and respond to each other in real time.
