2023 Marching Jayhawks
Summer Information Packet

Welcome to the Marching Jayhawks and the KU Bands! We’re looking forward to a great season as we welcome our new and returning members. The Marching Jayhawks are a diverse group of students, representing over 80 majors on campus. There is a place for you!

The KU Bands enjoyed a tremendous school year in 2022-2023. Some of the highlights included:

- A record number of participants in the Marching Jayhawks, for the second year in a row
- A full-band trip to the Liberty Bowl in Memphis, Tennessee
- Post-season tournament travel for all our pep bands: Women’s Volleyball, Women’s Basketball, and Men’s Basketball
- Members of our Wind Ensemble spent a week in Italy for concerts and a partnership with the Milan Conservatory
- Hosting the American Bandmaster’s Association annual convention last March

This packet contains everything you need to know for band camp and our fall season, as well as information for our concert bands. If you have any questions, please contact the band office at 785-864-3367, or Dr. Smith directly at maosmith@ku.edu. Included here is early move-in information for band members, detailed band camp and season schedules, and information on the other bands within the KU Band program. You will receive updated schedules at band camp, as we still have some events to finalize for that week.

For those of you who are new to KU, the bands are a great place to continue your music making in a welcoming environment, make lasting friendships, and be an integral part of the KU community. We can’t wait to return to campus and make music together!

Enjoy the rest of your summer, and we’ll see you in August – ROCK CHALK!

3 EASY STEPS TO JOIN THE MARCHING JAYHAWKS!

1. If you are an undergraduate, register for BAND 410. If you are a graduate student, register for BAND 710. The official meeting time for band is MWF from 3:45-5:50 p.m. If you have a class conflict, we cover that later in this packet.

2. Fill out the online 2023 BAND CAMP REGISTRATION FORM. Please do this no later than FRIDAY, JULY 21. The form is also available on the “How to Join” page of the Marching Jayhawks website, marchingjayhawks.com

3. Complete the 2023 BAND EXPENSE FORM; mail your form and check to the Band Office or bring both to band camp registration (we are unable to process credit/debit cards). The form is the last page of this SUMMER INFORMATION PACKET.

SCHEDULES AND MOVE-IN INFORMATION
You will receive updated band camp and season schedules at band camp, but the attached schedules are fairly accurate. Read the band camp schedule very carefully and enter the dates in your personal calendar.

EXPENSES AND EARLY MOVE-IN
There is a Band Activity Fee ($200 for new members, $175 for returning members), payable by cash or check only. This fee helps to offset many costs, including dry cleaning at the end of the season, lots of Adidas apparel, food at games, and other expenses. New members will need to purchase shoes as well, sizes are collected on the 2023 BAND CAMP REGISTRATION FORM.

For those of you living in university housing: we will make arrangements for you to move into the residence halls, scholarship halls, and Jayhawker Towers beginning at 8:00 a.m. on the following dates. Note that this is before the scheduled move-in for the rest of the campus.

- Tuesday, August 8: Drum majors, student staff, and drumline move-in and begin camp
- Wednesday, August 9: Colorguard move-in and begin camp
- Thursday, August 10: Leadership move-in and begin camp
- Sunday, August 13: All other new and returning members will move-in and begin camp

We collect housing information from you via the online 2023 BAND CAMP REGISTRATION FORM. The band will not collect early move-in fees; these fees will appear directly on your university account. If you live in KU student housing (residence halls, scholarship halls, Stouffer Place Apartments, Jayhawker Towers, etc.), the band will contribute a portion of these expenses ($10 per night); these are reimbursed to you via check later in the semester. If you wish to move in on a day other than your assigned day, you must make those arrangements directly with KU Housing. The band will not reimburse additional nights prior to your assigned move-in date listed above. If you have any other questions related to early move-in for band members, please contact Dr. Smith or the KU Band office FIRST, and we will let you know if you need to contact KU Housing. Additional information regarding move-in and meals is listed in the 2023 Band Camp Schedule later in this packet.
WE MUST HAVE UNIVERSITY HOUSING INFORMATION ON THE ONLINE BAND CAMP REGISTRATION FORM NO LATER THAN FRIDAY, JULY 21 OR YOU WILL NOT BE ALLOWED TO MOVE-IN EARLY!

2023 BAND CAMP REGISTRATION FORM

COURSE REGISTRATION and CLASS CONFLICTS
All marching band members are REQUIRED to register for BAND 410 or 710 for the fall semester. Please register prior to your arrival on campus. The official meeting time for band is MWF from 3:45-5:50 p.m.

If you have a special circumstance that does not permit you to register for marching band, please contact Dr. Smith. We do allow minor class conflicts for unavoidable, required class conflicts only (if your conflicted class is an elective, or offered in another semester, this does not qualify). Work, clubs, fraternity/sorority conflicts, etc. are not permitted for band conflicts.

Course conflicts must be addressed in three ways:

- Notify Dr. Smith with the nature of the conflict (class, days, and times) and get approval.
- Complete the Request for Time Conflict Approval Form through the Office of the Registrar. See the section labeled “Error Message: Time Conflict” on the linked page.
- During band camp, there will be an additional online “Band Class Conflict Form” that we’ll need you to fill out for our own records; we’ll explain it at one of our meetings during band camp.

If you are not pursuing a degree at KU (i.e., attending community college, Haskell Indian Nations University, etc.) you can still participate in the Marching Jayhawks! You must be admitted to KU as a “non-degree seeking student” and then enroll in BAND 410/710. Additional information can be found on the KU Admissions website: https://registrar.ku.edu/non-degree-seeking-students

FALL SORORITY RECRUITMENT
Formal sorority recruitment takes place at the same time as band camp in August. Due to the time required of each activity, it is not possible to do both in August. We recommend that you join the Marching Jayhawks, and then go through continuous sorority recruitment later in the school year.
INFORMATION FOR FIRST-YEAR MEMBERS
There will be a meeting for all first-year band members on Monday morning of band camp. A representative from KU’s Office of First Year Experience will share information regarding Hawk Week and other essential information for band members. New first-year members who did not attend a summer orientation session may need to attend a one-day orientation session on the Tuesday or Wednesday of band camp. You must indicate if you will attend the Tuesday/Wednesday orientation date on the 2023 BAND CAMP REGISTRATION FORM.

MUSIC AND CORDS
We will send instructions later this summer that will enable you access sheet music, including our warmups and pregame music. Instructions will be sent to those who have registered for BAND 410/710 and/or completed the 2023 BAND CAMP REGISTRATION FORM.

It is important to have our traditional music memorized as quickly as possible. We have a tradition of handing out uniform cords to new members once they have “checked off” their memorization of our five fight songs, The Star-Spangled Banner, and Home on the Range. In addition, your pregame music must be checked off to audition for the basketball bands and to receive your free pass for men’s basketball games (see the season calendar for deadlines). For those of you who may have difficulty memorizing music, do not worry. We have found that memorization takes care of itself as you become more familiar with playing the music in a group setting over a number of repetitions.

PAPERLESS DRILL & MUSIC
Our music and marching drill is accessible electronically using a KU drive and the Ultimate Drill Book app. We will discuss procedures during band camp. Special lyres (eFlips) that can accommodate smart phones will be provided. It is IMPERATIVE that you show up to rehearsals and performances with a charged phone. Be sure to purchase a portable charger if you do not already own one. We will provide paper copies if you do not have a smartphone.

WOODWIND & BRASS PLAYERS
The Marching Jayhawks provide all instruments. Instruments will be distributed the first day of band camp. You may use your own instrument provided it is silver (black for clarinets). Students who use their own instrument are responsible for their own repairs, as are any repairs to school instruments that are the fault of the student or due to negligence. Students must bring the following related to your instrument:

- Clarinets: mouthpiece, ligature, reeds, swab, and cork grease
- Alto and Tenor Saxophones: mouthpiece, ligature, reeds, swab, neck strap, and cork grease
- Trumpets, Mellophones, Trombones, Baritones: mouthpiece, valve oil/slide grease, and polishing cloth
- Sousaphones: valve oil/slide grease

Woodwind and brass players have no audition for membership into the Marching Jayhawks! However, we do hold part assignment auditions for piccolo, clarinet, alto saxophone, trumpet,
mellophone, trombone, and baritone. Part assignment auditions will consist of two major scales of your choice (two octaves), a chromatic scale (your full range), and sight-reading. The part assignment auditions are held during band camp registration on Sunday, August 13. You are welcome to use your own instrument for the auditions if you prefer.

Students who wish to play sousaphone must be tuba players or have experience on a brass instrument. Preference will go to members whose primary instrument is tuba, then low brass, then high brass.

**COLORGUARD**
Our colorguard auditions are held on Saturday, June 3. Additional information can be found on the Marching Jayhawks Colorguard page. Students who are unable to attend the audition date, or who may have missed the date, should contact Mrs. Smith, our colorguard instructor, at mmbbsmith@gmail.com. Colorguard members move in on Wednesday, August 9 and begin camp full-time that evening, continuing to the end of band camp. Please refer to the 2023 Band Camp Schedule for details.

**DRUMLINE**
There are two weekends of drumline clinics this summer: June 9-10, and July 7-8. Auditions are held via video submission (deadline July 14). Audition results will be announced the week of July 17. Drumline auditionees should still complete the 2023 Band Camp Registration Form. Those students who are selected for the drumline will move in on Tuesday, August 8 and begin camp full-time that evening, continuing to the end of band camp. Please refer to the 2023 Band Camp Schedule for details. Complete information on clinic dates and registration and audition materials is available on our drumline website:

[http://music.ku.edu/marchingjayhawks/drumline](http://music.ku.edu/marchingjayhawks/drumline)

**TRAVEL**
This fall we will send two small bands (approximately 75 members each) to away games at Oklahoma State (October 13-14) and Iowa State (November 3-4). Signups will be available in September for anyone who is interested in traveling. The bands will be determined by instrumentation and seniority in the Marching Jayhawks. *All band members should keep their December/early January plans clear in the event that we are selected to perform at a bowl game.*

**DCI MEMBERS**
We usually have a number of students who march with Drum Corps International during the summer. If you are in DCI, then you will be expected to begin camp on Tuesday, August 15. There is a place on our 2023 BAND CAMP REGISTRATION FORM to indicate if you are in drum corps and need to arrive late.
**PEP BANDS**
Our pep bands are comprised of members from the marching band. We have an enthusiastic volunteer Volleyball Band that is active during the fall semester for the KU Women's Volleyball home games. Audition dates and signups for the Men's and Women's Basketball Band auditions are announced in September. Ms. Toulouse conducts the Men's Basketball Band, and our graduate teaching assistants (GTAs) conduct the Women's Basketball and Volleyball Bands.

**CONCERT AND JAZZ BANDS**
In addition to the marching and pep bands, KU has outstanding concert bands and jazz ensembles. Many of our students choose to participate in other bands during the school year in addition to the Marching Jayhawks.

- **Wind Ensemble (BAND 402/702)** – Dr. Paul Popiel, conductor  
  Fall Semester Rehearsals: MWF 1:00-2:50; Spring Semester: MWF 2:00-3:50

- **Symphonic Band (BAND 404/704)** – Dr. Matthew Smith, conductor  
  Fall Semester Rehearsals: TTh 3:30-5:20; Spring Semester: MWF 2:00-3:50

- **University Band (Music 406/706)** – Ms. Sharon Toulouse, conductor  
  Fall Semester Rehearsals: Th 6:00-7:20; Spring Semester: TTh 4:00-5:20)

Detailed information on joining the Wind Ensemble, Symphonic Band, and University Band is available on [www.kuband.org](http://www.kuband.org). All ensembles are courses within the School of Music, and registration is required. The Wind Ensemble and Symphonic Band are auditioned groups. Auditions are held during the first few days of the semester, and sign-up sheets for audition times are posted on the band office windows in August. Audition music will be available on [www.kuband.org](http://www.kuband.org) this summer. There is no audition required for the University Band, simply register and attend the first rehearsal.

Information on joining the jazz ensembles and jazz combos can be found on [music.ku.edu/jazz](http://music.ku.edu/jazz) or by contacting Professor Dan Gailey, Director of Jazz Studies, at dgailey@ku.edu. Audition information should be posted by August 1 on the website.

**KAPPA KAPPA PSI and TAU BETA SIGMA**
KU has fantastic chapters of these two service organizations, which are dedicated to supporting college bands. Students in these organizations contribute countless hours through a variety of projects and have a great time while doing them. We don't know what we would do without these organizations! They are a great group of people to become involved with, both from a service and a social perspective.

**FREE ENTRY FOR KU MEN’S BASKETBALL**
Kansas Athletics is very supportive of the Marching Jayhawks. To show their appreciation, all members of the Marching Jayhawks who are in good standing (and have checked off their pregame music by the announced date) are placed on a pass list for free admission to home KU Men's Basketball games in Allen Fieldhouse for the upcoming season!
FOOTBALL TICKETS
Special pricing for season football tickets is available for parents of marching band members; the QR code below will link you to the Kansas Athletics ticket page for band parents.

APPAREL…aka GEAR!
Membership in the Marching Jayhawks is not without its privileges! Band members will receive an Adidas KU hoodie, polo, TWO band t-shirts, a stadium hat for the stands (required for football games), athletic shorts (for all members – new color this year), and a winter cap. These items are often used as alternate uniforms for pep bands, pep rallies, and other appearances.

ADDITIONAL NEEDS
Since we perform at a variety of events during the fall, we do not always use the assigned marching band uniform. We often use our Adidas apparel to play at pep rallies and other non-football events. To accompany your gear, please be sure to have the following:

● White ankle socks (the kind that someone can see from a distance with your shoes on, but not all the way up your calf).
● Tall white socks to be worn with our uniform; Colorguard will need black socks.
● Basketball Band members will need to have a pair of black pants or slacks (no leggings/black jeans/yoga pants, etc.).

2023 Marching Jayhawks
Band Camp Schedule & Move-In Information
Tuesday, August 8 – Monday, August 21
Subject to change; last revised May 18, 2023

● **Band Camp is REQUIRED.** Contact Dr. Smith if there are any KU-related conflicts. While there are sometimes academic-related conflicts with band camp, any non-KU-related conflicts will not be permitted. Any KU conflicts should be approved in advance by Dr. Smith (maosmith@ku.edu).

● Come prepared – hats, water JUG (don’t bring a bottle, you will need to refill it too often, and we are not providing coolers due to COVID-19), sunglasses, sunscreen, insect repellent, etc.

● You MUST have the proper footwear (if you don’t jog in them, then don’t wear them!)

● Have all of the accessories that you need for your instrument (reeds, flip folders, lyres, valve/slide oil, etc.). There is no music store in Lawrence for band/orchestra instruments.

● Dress for the weather (t-shirts and shorts) – jeans are NEVER a good idea for band camp!

**MOVE-IN INFORMATION FOR UNIVERSITY HOUSING**

Our band camp begins before the normal move-in dates for university housing. For university housing, we will make arrangements for you to move into the residence halls, scholarship halls, Jayhawker Towers, and Stouffer Place Apartments beginning at 8:00 a.m. on the following dates:

- **Tuesday, August 8:** Drum majors, student staff, and drumline move-in and begin camp
- **Wednesday, August 9:** Colorguard move-in and begin camp
- **Thursday, August 10:** Leadership move-in and begin camp
- **Sunday, August 13:** All other new and returning members will move-in and begin camp

We collect your housing information from you via the online **2023 BAND CAMP REGISTRATION FORM**. The band will not collect early move-in fees; these fees will appear directly on your university account. If you live in KU student housing (residence halls, scholarship halls, Stouffer Place Apartments, Jayhawker Towers, etc.), the band will contribute a portion of these expenses ($10 per night); these are reimbursed later in the semester. If you wish to move in on a day other than your assigned day, you must make those arrangements directly with KU Housing. The band will not reimburse additional nights prior to your assigned move-in date listed above. If you have any other questions related to early move-in for band members, please contact Dr. Smith or the KU Band office FIRST, and we will let you know if you need to contact KU Housing.
WE MUST HAVE UNIVERSITY HOUSING INFORMATION ON THE ONLINE BAND CAMP REGISTRATION FORM NO LATER THAN FRIDAY, JULY 22 OR YOU WILL NOT BE ALLOWED TO MOVE-IN EARLY!
